1) The return on investment per sq. ft.

A seller on a pavement generates a higher ROI in proportion to the area and the cost of the space occupied compared to almost any mainstream showroom.

2) Equitable distribution of earnings

The profit of a food stall owner selling a plate of food is divided more equally with the entire supply chain as opposed to a star-rated restaurant, where the owner retains bulk of the profits.

3) Decision-making power

To capitalise on an opportunity, a roadside entrepreneur can make an instant decision on all matters, such as discounting, purchasing, etc., while a ground-level employee of India Inc. has to fight through bureaucracy and red tape. By the time the decision comes, the opportunity is lost.

4) Equal opportunity market

This market is open to all – male, female, transgender, old, young, abled and specially-abled, skilled, and the not-so-skilled. How many corporates in India Inc. can boast of such diversity?

5) Change management

Consider the road side seller of seasonal wares for Indian festivals. He will have to change his products, prices, pitch, customer segmentation, supply chain, inventory and working capital requirement more than a dozen times a year. For a corporation, a change in a product line can take years.

.... the list is endless!

India is getting younger with every passing year. By 2020, the average age in India will be 29, and it is set to become the world's youngest country with 64% of its population falling in the working-age bracket. This demographic potential offers India and its growing economy an unprecedented edge that economists believe could add a significant 2% to the GDP growth rate.

Not all of the youth will come from urban areas with college degrees and find themselves at corporate offices. A large portion will be absorbed by India UnInc and micro-entrepreneurship.

Creating & nurturing women entrepreneurs

Over nine years in microfinance, we have supported the dreams of aspiring women residing in rural India.

Their drawbacks were that they were born poor; they resided in the locales which remained backward for no fault of theirs; they did not get the luxury of education, and they had to fight every day for survival against odds largely beyond their control.

And because of these reasons they were literally banished from the India Inc. society.

But like all others, they had their aspirations.

They desired to contribute to the family.

They hoped to earn respect.

They wished for a better life.

All we did was, we believed in their dreams, rekindled their hope, trusted their ability, and funded their small dreams. In doing so, we helped them to look beyond their gloomy today to a brighter tomorrow.

And today, the success of over seven lakh women entrepreneurs of India UnInc. residing in over 13,000 villages of India are squarely responsible for the growth and sustainability of this one constituent of India Inc.

Supporting MSME entrepreneurs

Over three years, we supported the business aspirations of multiple small businesses and establishments – all trying to survive in the harsh realities of the rural India ecosystem.

They had more than their share of problems. Their legacy. Their being. Their culture. Their practices. Their background. Their business. Their lack of thought. Their meager requirements. Their small successes.

All this did not inspire confidence among the fund providers of India Inc. They labelled these fund seekers as high-risk, low-quality, or sub-prime applicants.

But like all other entrepreneurs, they had their ambitions.

They yearned for more money.

They hoped for a bigger establishment.

They wished for a better life for their family.

All we did was that we noticed the helplessness and hope in their eyes as we crossed their establishments. We determined to provide wings to their aspirations. We created a solution for providing loans to the Rural Micro-Enterprise (MSME).

And today, 35,000 MSMEs of India UnInc. operating in some of the most unknown dots on the Indian map have given us revenue cumulating ₹30.73 crore since the inception of this vertical; these so-called 'high-risk' applicants have ensured our collection is more than 99.5%.

Making a significant difference to India UnInc. year-after-year.

“Our efforts will remain focused on creating a responsible business that meets our customers’ needs and a culture where our teams put customers first. This is the key to our long-term success.”

Dear friends,

India UnInc. represents a large and ever-growing opportunity.

This is primarily because this segment of society has been neglected by the Government and the ‘privileged section’ of the Indian society for decades. This has led to a considerable section of the Indian population left to languish at the bottom of the societal pyramid; and the volumes in this basket continued to increase with each passing year of growing indifference towards them.

But over the last decade or so, two words – ‘Financial Inclusion’ -- have made a meaningful difference in assisting impoverished Indians in their journey out of the dungeons of poverty.

Financial inclusion has played a significant role in energising the economy and broad-basing the Government of India’s developmental agenda. The engine of financial empowerment is gathering

momentum, driven by policy measures and the Nation Building passion of a handful of entrepreneurs determined to lend a helping hand to these aspirers. They have successfully uplifted millions till now. Arman is one among those handful who have participated with zeal and enthusiasm in this empowerment wave riding across India.

But the job at hand is only becoming more challenging. For microfinance as a sector has only touched one pain-point - uplifting the earnings potential and respect of women in rural India.

There are numerous other challenges which this segment confronts every day. The way I look at it is that each such challenge represents an opportunity for India Inc. to create successful and sustainable business models.

I am pleased to state that at Arman, we have successfully set foot on this path. Our MSME loan segment has delivered yet another year of robust growth with negligible NPAs. This is very heartening for two reasons:

One, this suggests that this segment, which was, all the while considered inconsequential, is providing momentum to India's economic engine.

Two, the so-called 'risky assets' of India UnInc., in reality, are more ethical and disciplined as compared to their India Inc. counterparts.

Moving ahead, we will continue to leverage our knowledge capital to create other new products pivoted on the theme of financial inclusion and economic empowerment of the disadvantaged sections of society.

2018-19 in retrospect

From a business standpoint, it was satisfying to note that we are back to winning ways. Our growth numbers in each business vertical and the cumulative business were immensely gratifying. Our margins remained healthy. More importantly, our cash flow continued to remain robust (owing to multiple rounds of fund infusion and operational cash flow) which helped in sustaining the growth momentum as liquidity dried due to the NBFC crisis towards the close of the year.

But more than the numbers and performance, our digital success gave me immense pleasure. We achieved a significant milestone - we moved to 100% cash-less disbursements for our business divisions. For me, this is important because we successfully educated our customers and our field force on technology, its operations, and its benefits. This effort, I believe, will go a long way in reducing the divide between the two India's - UnInc. and Inc.

During the year, we appointed Mr. Alok Prasad as the Non-Executive Chairman. He is a very reputed and respected personality in the NBFC sector and more particularly in the Microfinance space. I am sure his knowledge and expertise will help in taking Arman to a new orbit in operational efficiency and in identifying opportunities that flank our core business philosophy.

Fiscal 2018-19 was heartening as CARE Ratings have upgraded the ratings for both Arman & Namra from BBB to BBB+.

Besides, the MFI grading for Namra was upgraded from MFI-2 to MFI-2+, which is one step below the highest possible grading. This strengthens the credibility in our robust and resilient business model. These upgrades will help attract other marquee investors and lenders who are interested in being part of our growth story.

We are only as good as our people who drive our scale and excellence. Over the preceding two years, our achievements have been the direct outcome of the teamwork and commitment of our employees. I thank the entire team whose determined dedication and discipline efforts have made Arman one of the leading players in the financial inclusion space.

In closing, I conclude with this one statement - our efforts will remain focused on creating a responsible business that meets our customers' needs and a culture where our teams put customers first. This is the key to our long-term success.

I take this opportunity to extend my heartfelt gratitude to our valued customers, investors, bankers, the State, and Central Government, and all other stakeholders for their relentless support, encouragement and motivation extended to us. I also thank my colleagues on the Board for their invaluable advice and guidance.

Warm regards

Jayendra Patel

Operational review

“Serving India UnInc. is a happy feeling with great prospects.”

*In conversation with Mr. Aalok Patel, Executive Director, on
the performance and prospects of the Company*

Were you happy with the Company's performance in 2019-20?

It was a satisfying year. Despite the significant headwinds faced by the NBFC sector in the second half of the financial year, we were able to achieve our target. This showcases the robustness of the business model and the resilience of the organisation to withstand disruptive headwinds. While revenue grew by 81% over the previous year, Net Profit increased by 192%. We are confident that market liquidity issues will not have a significant impact on our growth trajectory as we have a rich vintage with a diversified debt portfolio and a naturally positive ALM.

How did you fund this growth despite the constrained liquidity in the financial markets?

Our strong vintage, conservative risk framework, controlled growth, and positive ALM were key differentiators that ensured we receive continuous support from lenders, both old and new. In retrospect, I can say that business funding also happened at the right time. Our deal with SAIF Partner for equity infusion concluded in April 2018. It brought-in the much-needed Tier 1 capital, which provided us legroom to drive growth.

This was further replenished by a 2nd foreign NCD transaction with Symbiotics, a refinancing deal with NABARD, and a MOSEC (Multi-originator securitisation) transaction with Kotak-Mahindra Bank during the course of the year.

Towards the close of the fiscal, we completed four separate MOSEC transactions, where multiple NBFCs pooled Microfinance or Two-Wheeler loans were securitised with banks. We also completed our third foreign NCD transaction at the beginning of Fiscal 2020.

These transactions not only provided the necessary fuel to catalyse growth but also diversified our debt portfolio – reducing our reliance on banks for funding our growth aspirations. We are confident that this diversification will help us tide over liquidity shortages in the future and allow us to reduce our overall cost of borrowings. I also expect that the liquidity shortage, from a macroeconomic perspective, will ease by the third quarter of Fiscal 2020.

What were some of the heartening features of the year's performance?

We achieved an important milestone in our digital journey – we moved to 100% cash-less disbursements for all our business verticals. This helped in better control over cash and reduced the risk in our business. Moreover, this initiative reduced the TAT (turnaround time) in disbursing loans significantly.

Additionally, I'm also quite pleased with our progress to implement a new ERP system for the Microfinance division. This new solution is an integrated cloud-based software with both mobile and web interfaces, and once fully implemented, will increase operational efficiency and controls, and reduce TAT. Many describe the process of converting from a legacy system to a new system as "changing the tyre on your car while it is in motion". The complexity of software conversion in the MFI space is even more challenging, but I'm confident that the efforts will be well worth it once fully implemented.

How did the microfinance vertical perform in 2018-19?

This vertical continued to register healthy growth both in terms of revenue and profitability. Revenue growth was primarily owing to our footprint expansion in the states of our presence; we made a small entry into Rajasthan, which I am confident will provide a decent contribution to business growth in the current year. I am happy to state that our Net NPAs declined from more than 1% of the MFI AUM in Q4/2017-18 to 0.55% in Q4/2018-19. This only vindicates the effectiveness of our conservative approach and our diligence in adding quality assets to our portfolio. We have an excellent team to continue our growth trajectory in the immediate future.

You seem pleased with the performance of the MSME vertical. Could you share the reasons?

The MSME segment registered a stellar performance with a significant surge in business growth. Even as we continued to secure more business from the areas of our presence, we set foot in

Madhya Pradesh for MSME loans. From a profitability perspective, this high-margin vertical generated the highest Return on Assets among our other verticals.

We are also very happy with the asset quality of the new MSME portfolio, with NPAs far lower than the industry and indeed, lower than our own expectations. The success of our MSME division can be squarely attributed to our unique underwriting process, doorstep collections, and of course, our rural focused customers – it gives us a significant advantage in maintaining a very high recovery rate. We look forward to growing this business with cautious enthusiasm.

What is the situation with the two-wheeler financing space?

This is a highly competitive market for we had strategised to focus only on the urban areas of Gujarat. In the previous year, the new third-party insurance law dampened offtake of two-wheelers; this coupled with increased registration costs, compliance burden, and weak consumer sentiments, resulted in a decline in two-wheeler sales. Two-Wheeler registrations in Gujarat dipped by almost 20% in first half of calendar 2019 versus the same period in 2018, one of the sharpest declines in the last decade. Despite these headwinds, we

We have started a new revenue vertical to finance Rural Two-Wheelers using a unique model.

grew the book by 13% in the previous year, thanks to our strong dealer relationships. To strengthen the revenue generation capability of this vertical, we commenced a pilot to foray into the Rural 2-Wheeler market to help us maintain and expand our Two-Wheeler business segment. This business is akin to the cash-collection model used in the Microfinance and MSME space. We hope to make good ground in this rural space in the coming year. I expect that personal transportation will never go out of style, and with the emerging rural class, the new rural segment will keep us well positioned in the long-term. We expect the urban Two-Wheeler space to show signs of recovery during the Diwali season of 2019.

How are you strengthening your internal system to manage the expanding business presence and growing volumes?

We have invested in an organisation wide-new ERP system which will streamline operations, make processes more accurate (by eliminating human

intervention), and provide a host of data at the click of a button for faster and more informed decisions. Moreover, our people will graduate from doing transaction related jobs into more knowledge-based work, which I believe will add value to the organisation. We will continue to leverage the digital platform for providing solutions to our field force for enhancing their productivity and improving the customer experience. We are also working to upgrade our existing system for the Two-Wheeler and MSME divisions, which will commence in 2019-20.

What is your estimate for the current year?

While we are confident on our own ability to deliver a strong growth in the current year, we will closely monitor the macroeconomic environment to adjust our projections throughout the year in light of the recent slowdown of the economy and rural consumer spending. We will not sacrifice quality for quantity. Risk will always trump volumes. That said, I expect another great year ahead.

My optimism stems from important realities

- We have adequate liquidity in the pipeline to fund our growth aspirations; we have diversified our funding base to ensure that our funding sources do not dry up despite the NBFC liquidity crisis gripping India, and we expect the situation to ease going forward.
- We have set our focus on maximising returns from our existing geographies – we will continue to expand our branch network in these states and focus on customer acquisition.
- We continue to make our process more efficient using IT-based solutions, which will optimise our cost structure.
- We have started a new revenue vertical to finance Rural Two-Wheelers using a unique model, and hope to generate healthy volumes and returns therefrom.
- We have a very strong upper and middle management team that is primed to grow.

Management Discussion and Analysis

Economic overview

India, the bright star in the global economic village, appeared to slow a little in 2018-19 as India's GDP growth dipped for the second consecutive year. According to the National Statistical Office (NSO), the nation achieved a GDP growth of 6.8% in 2018-19 down from 7.2% in 2017-18.

The dismal growth of the India economy was primarily owing to the sub-optimal performance in the second half of the year – in Q4 of 2018-19 India's GDP growth declined to 5.8%, the lowest in five years.

A slowdown in the fourth quarter GDP was due to temporary factors like the stress in the NBFC (non-banking financial company) sector affecting consumption finance. The first quarter of the current fiscal is also expected to witness relatively slow growth.

Furthermore, India's industrial production contracted to 0.1% in March 2019, the lowest in 21 months, mainly due to the manufacturing sector slow down. On an annual basis, IIP growth slowed to a three-year low of 3.6% in the 2018-19 fiscal as against 4.4% in the previous fiscal.

Besides, the NSO released the annual Periodic Labour Force Survey (PLFS), confirming that the unemployment rate was at 6.1% in 2017-18.

Despite this gloom, there were some factors to cheer.

According to the data released by the Ministry of Statistics and Programme Implementation, the per-capita income at current prices during 2018-19 is estimated to have attained a level of ₹1,26,406 (₹10,533.83 monthly) as compared to ₹1,14,958 (₹9,579.83 a month) for 2017-18, showing a rise of 10%.

Revenue from Goods and Services Tax (GST) witnessed a 10% growth from the year-ago period at ₹1.13 trillion in April (for March 2019), the highest ever since its implementation. This growth is encouraging as it indicates that the tax base is increasing gradually with GST getting stabilised.

India moved up by 23 places in the World Bank's Ease of Doing Business Index 2018 to the 77th rank.

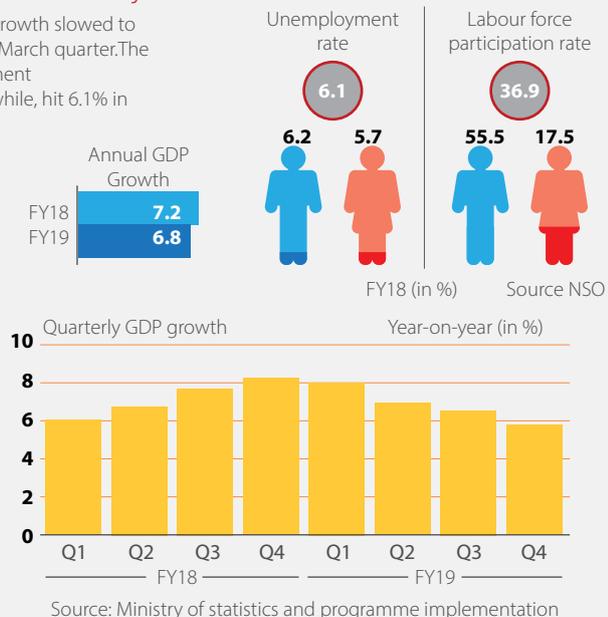

Going forward, there continues to be optimism on India's growth prospects.

According to Moody's, the Indian economy is expected to grow at 7.3% in calendar years 2019 and 2020.

The International Monetary Fund (IMF) has forecast India's GDP growth at 7.0% in 2019 (2019-20) and 7.2% in 2020. The institution's optimism is pivoted on the expected recovery of investment and robust consumption amid a more expansionary stance of monetary policy and some expected impetus from fiscal policy. Economic growth slowed to 5.8% in the March quarter. The unemployment rate, meanwhile, hit 6.1% in 2017-18

Microfinance in India

Non-Banking Finance Company-Microfinance Institutions (NBFC-MFIs) hold the largest share of the portfolio in micro-credit.

Stabilising itself after the twin shocks of demonetisation and GST, the Microfinance sector registered a stellar performance demonstrating rapid, regionally-balanced and resilient growth.

Microfinance Institutions Network (MFIN) members constitute 53 NBFC-MFIs and these members account for approximately 90% of the total NBFC-MFI AUM in India. Collectively, MFIN members have disbursed 3.25 crore loans worth ₹82,928 crore during 2018-19. Loans disbursed increased by 28% in

value and 44% in terms of loan amount disbursed over the previous year.

Apart from the growth in loan size and loan accounts, the growth in the NBFC-MFIs workforce was also heartening at 34%, now totalling to 1,04,973 people.

In 2018-19, NBFC-MFIs received a total of ₹35,759 crore in debt funding (from banks and other financial institutions). It represents a growth of 63% compared to 2017-18. Total equity grew by 42% during the same period to ₹14,206 crore.

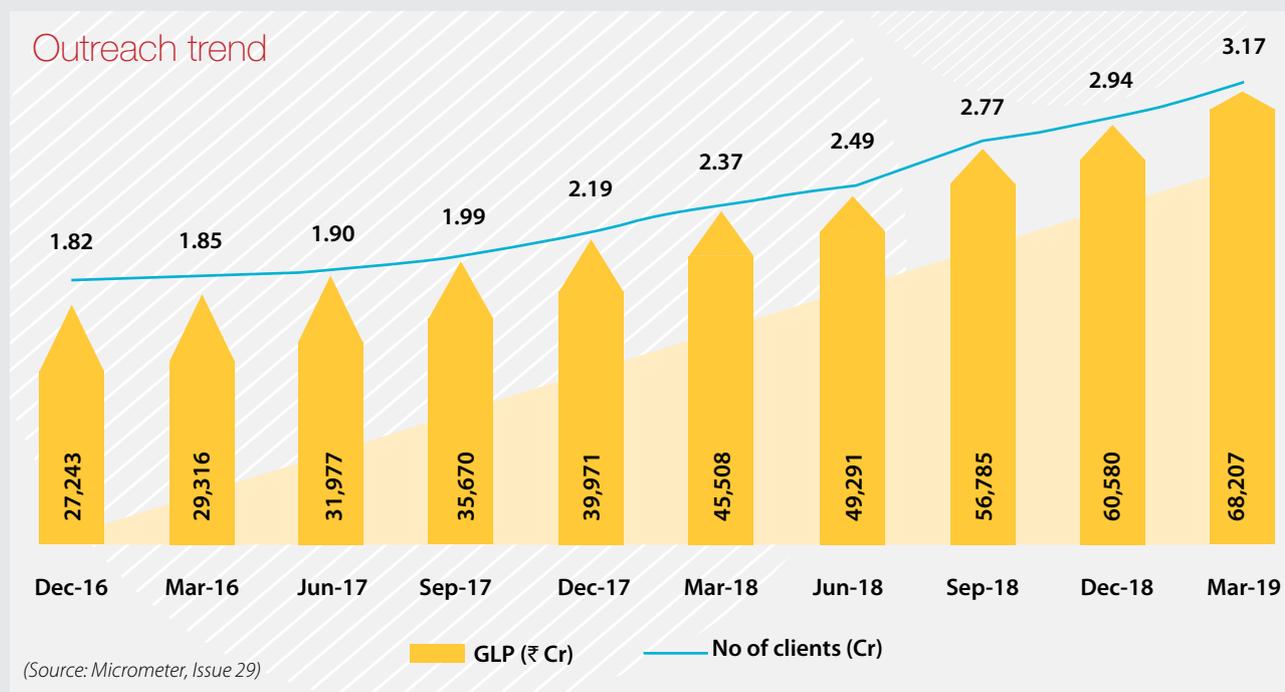

Investors continued to support the NBFC-MFIs with an equity infusion of around ₹4,350 crore in 2018-19 as against ₹4,100 crore in 2017-18.

As on March 31, 2019, aggregated GLP (Gross Loan Portfolio) of NBFC-MFIs

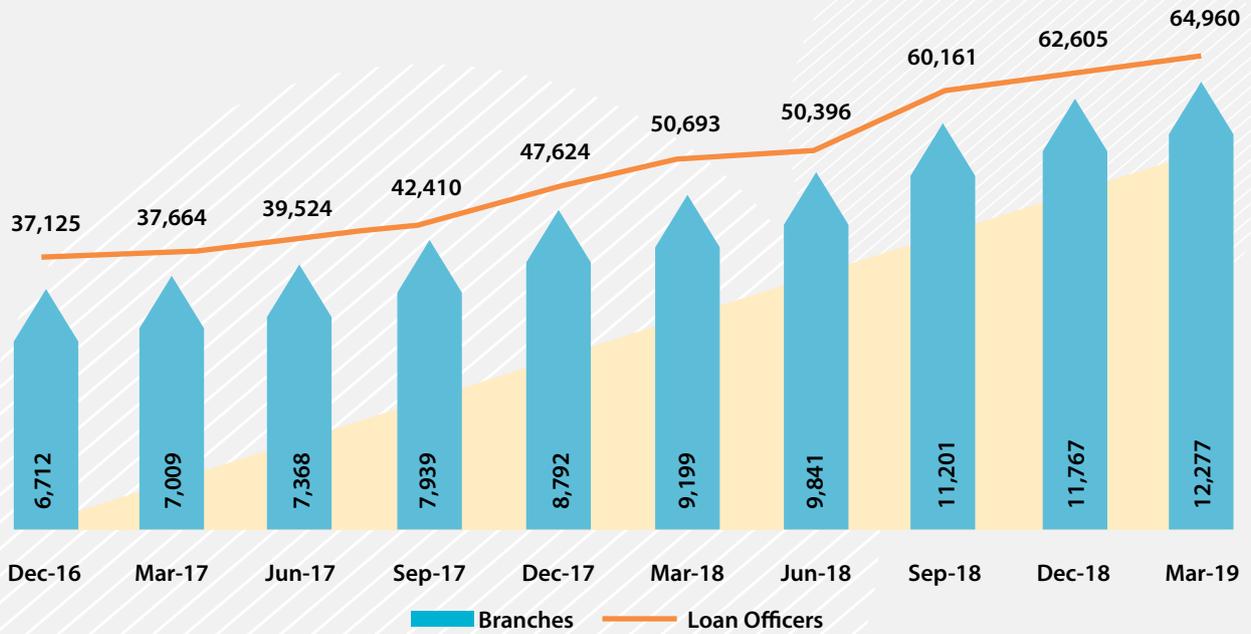

stood at ₹68,207 crore, registering an impressive 47% year-on-year growth compared to March 2018. The total number of microfinance accounts was 9.33 crore at the end of March 2019, recording an increase of 21.9%.

The microfinance industry is likely to grow at 20-22% in the current financial year, and the industry will require external capital of ₹3,500-4,700 crore over the next three years.

Nine P's that make microfinance work in India

Microfinance companies have contributed quietly to one of India's biggest success stories. Regulators, lenders, state-level officials though sometimes question the sustainability of this business. They cite the AP crisis of 2010 and demonetisation as instances that have challenged the stability of the sector. The reality though is contrary to the perception - the smart recovery of the agile sector has genuinely showcased the resilience of the sectoral business model. The faith in the microfinance sector rests on nine pillars mentioned below.

Poor: Microfinance lends to individuals who have a yearly income of less than

₹100,000 in rural areas and less than ₹160,000 in semi-urban areas. Such persons are still considered poor (if not the poorest). Surprisingly, almost all of them repay their loans on time. Although demonetisation brought heavy defaults to the MFI sector, many borrowers who couldn't pay in November and December 2016 subsequently paid back their loans.

Portfolio: The sustained and rapid growth of the portfolio of microfinance lending (including banks, SFBs, and regular NBFCs) showcases the continuing demand for microfinance. Growing aspiration of rural India and increasing awareness of this microcredit as a trustworthy and sustainable funding source are the drivers for the Microfinance sector.

Promoters: Microfinance companies are relatively recent. Some started a decade ago, while some others in the

last few years. The promoters of these companies are professionals with extensive experience in finance. They are also passionate about empowering India's poor. This combination of business focus (in an increasingly competitive market) and social impact by the management of microfinance companies helps sustain it.

People: Both inside and outside microfinance companies are committed. Many of the field staff have just finished high school, yet they are quickly trained by MFIs (microfinance institutions) and equipped with the values and processes to transact financial business with hundreds of women borrowers. The passionate and dedicated field force feel that they are getting a chance to make a difference in the lives of people. As such, they bring their capabilities while working in remote areas. Microfinance also has an ecosystem of experts around it: rating agencies, consultants,

Less secure = More reliable

The asset quality improved with the 90 days past due delinquencies (dpd) level declining from a peak of 11.6% in June 2017 to 3.9% in December 2018, supported by lower write-offs, better recoveries, high portfolio growth, and robust collections post-demonetisation.

(Source: Business Today, April 2019)

technology providers, financiers, who, over the last few years, have developed domain knowledge and contribute to the sector's growth.

Processes: In the recent past, MFIN members have invested in aligning their operations with the best-practices prevalent in the country. Their use of technology is akin to large banks. Many of them use mobile/tablet based loan processing and servicing for their staff. They have large databases of borrowers, often geotagged with route planning algorithms. Some of them have persons doing credit modeling and data analytics. Microfinance companies have improved their customer protection. Call centers are part of a well-run grievance redressal mechanism. Even small and medium companies have training centers and curriculum for their staff.

Pradesh: Microfinance is now rapidly growing in all Indian states (barring

Andhra Pradesh and Telangana, where an AP law — challenged in the SC — severely restricts operations). In addition to being rapid, the growth of the microfinance sector is becoming more regionally-balanced. This resilience shows that India's states, including less well-developed ones, are together making microfinance a more stable and balanced business.

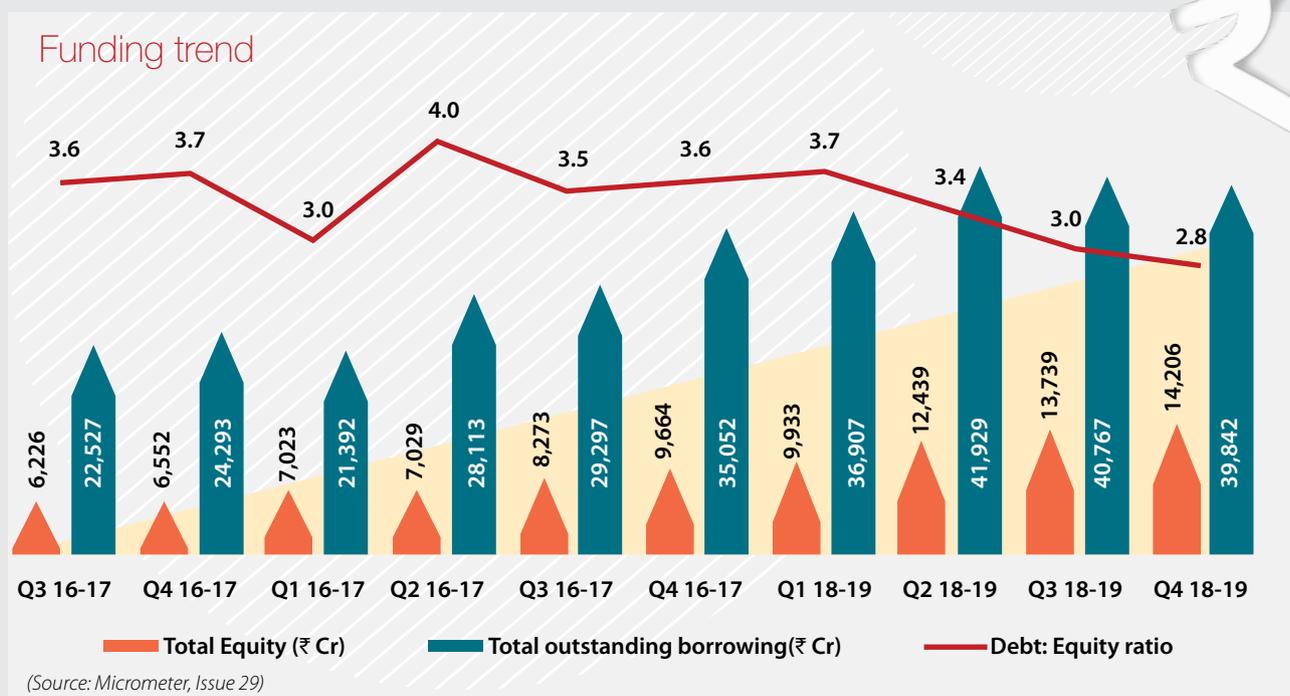

Policy makers: India's top policy makers have recognised the microfinance sector's potential for contribution to national goals. The sector's regulator, RBI, from the Governor downwards, regularly meet MFIN to discuss their concerns. So does the Department of Financial Services. Some state governments invite MFIN members to attend the State-Level Bankers' Committee meeting. This recognition is also attracting global funding agencies to invest in Microfinance institutions.

Proactive: MFIN and its members have been taking proactive steps to

build the resilience of Its members. Members hold quarterly meetings in the twelve biggest states to discuss common issues. Recognising that other lenders are also reaching to the same borrower, members, as a cohesive force, are working with banks and SFBs to implement a Mutually Accepted Code of Conduct.

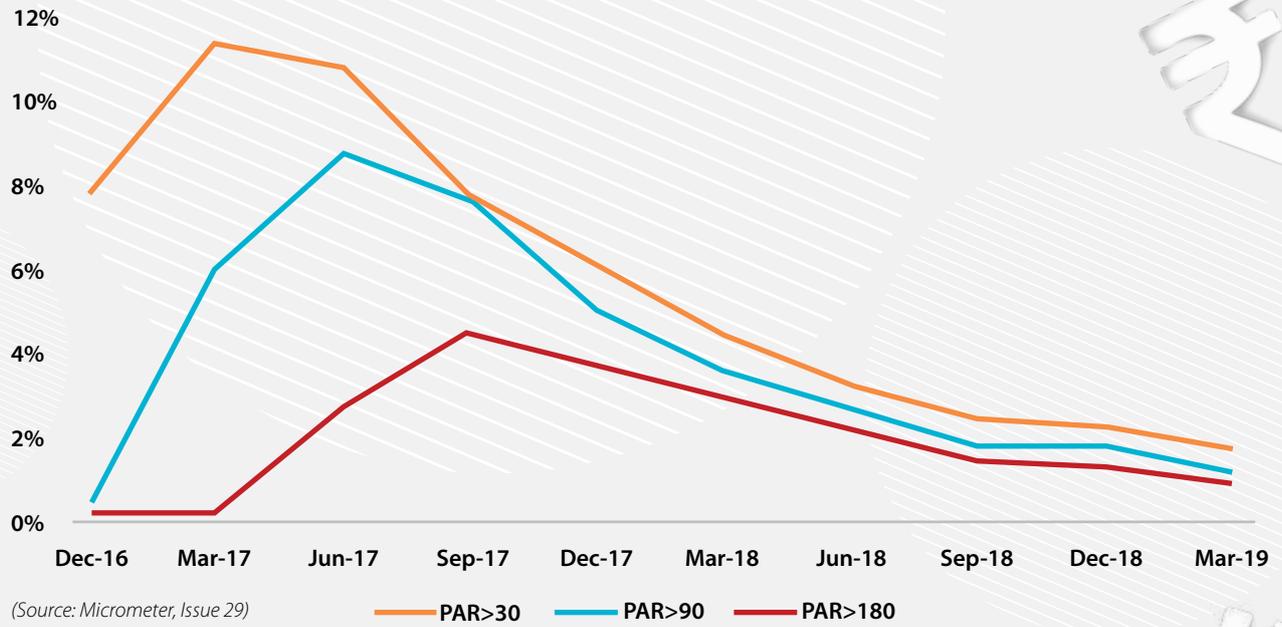

Profits: The sector is showing operational and financial profits and abysmally low NPAs. Moreover, hard-nosed private equity investors have recognised this superior performance. Their growing investments in microfinance organisations demonstrates their faith in the stability and sustainability of the sector.

These are just nine of many reasons why microfinance will continue to grow, earn, and contribute to India's progress.

Business operations

Arman Financial Services Ltd is a category 'A' Non-Banking Finance Company (NBFC) active in the 2-Wheeler, MSME, and Microfinance Lending business.

The Microfinance division operates through its wholly-owned subsidiary, Namra Finance Ltd, an NBFC-MFI. Arman Financial Services manages the 2-Wheeler and MSME loans.

With more than two decades of experience in the lending business, the Company is making an essential contribution to India's financial inclusion objective across six Indian states.

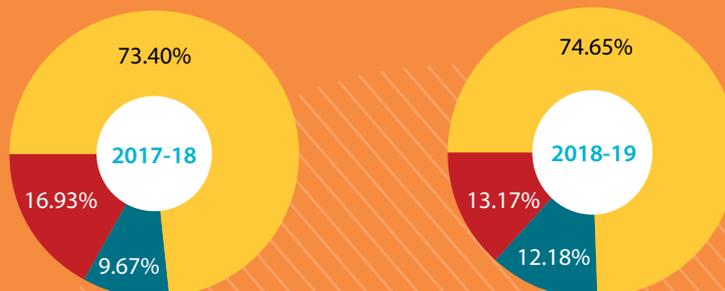

The Group operates mostly in unorganised and underserved segments of the economy and primarily serves niche rural markets in Gujarat, Madhya Pradesh, Uttar Pradesh, Maharashtra, Uttarakhand, and Rajasthan through its network of 165 branches and 55 dealer touch-points.

The Company's ability in establishing and nurturing relations and its deep understanding of its customer base allows it to align its products and services with customer needs and bring in high operating efficiencies within its system. The recent foray in financing the needs of the MSME sector showcases this competitive advantage.

Positives

Rural concentration

- Serve areas and clients where it is simply not possible for banks to provide financial services.

- Focused on establishing its presence in small, uncluttered rural pockets that enjoy a culture of financial discipline.
- Prefer a "second mover advantage", which means that the Company will only foray into a new area once the area has a proven track record and the credit culture has been established.

Extremely conservative risk framework

- Static center model.
- Process discipline and robust credit filters facilitate in maintaining pristine asset quality.

- Centralised underwriting with telephonic verification.
- 100% cashless disbursement.

Stringent disbursement discipline

- Low ticket size compared to the industry average.
- No Top-Up/Mid-Tenure loans. No Mid-Tenure cross selling. Avoiding over-leverage to any particular client.

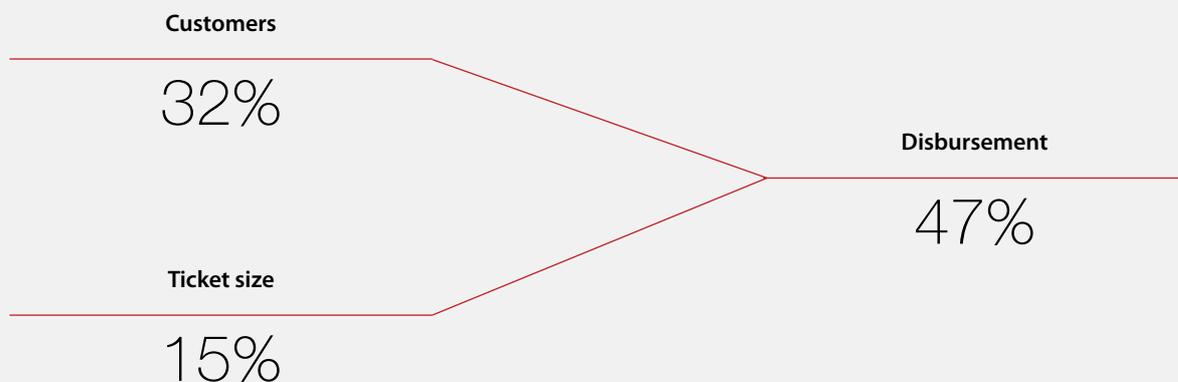

Controlled growth targets and "bottom-up" projections.

Customer is king

Despite the Company's highly conservative risk framework and disciplined adherence to it stringent credit filters, customer addition has been the primary growth driver for its microfinance business. About 32% of its growth in disbursements is owing to new customers. This only suggest the huge brand pull of the Company and the relevance of its operating model.

FY14-19 CAGR (%)

Performance

Despite the liquidity crunch in the third quarter of the year under review, the division reported healthy growth.

In 2018-19, the Company forayed into Rajasthan with four pilot branches in Chittorgarh and Pratapgarh districts. Moreover, the Company entrenched its presence in the existing states – by opening 27 new branches in these areas.

As a result, disbursements increased by 47.50% from ₹400.06 crore in 2017-18 to ₹589.59 crore in 2018-19. Revenue grew to ₹95.29 crore in 2018-19 against ₹52.71 crore in 2017-18 – a growth of 80.78 %. The active customer base increased from 198,751 as on March 31, 2018, to 273,071 as on March 31, 2019, as the AUM swelled from ₹287.46 crore to ₹483.74 crore over the same period.

The team achieved 100% cashless disbursement across all locations. This facilitated faster loan disbursement, reduced the risk of cash loss and improved cash management.

Dedicated focus on collections through improved customer relations helped in reducing the NPAs – the Net NPA as on March 31, 2019, stood at 0.55% against 1.13% as on March 31, 2018.

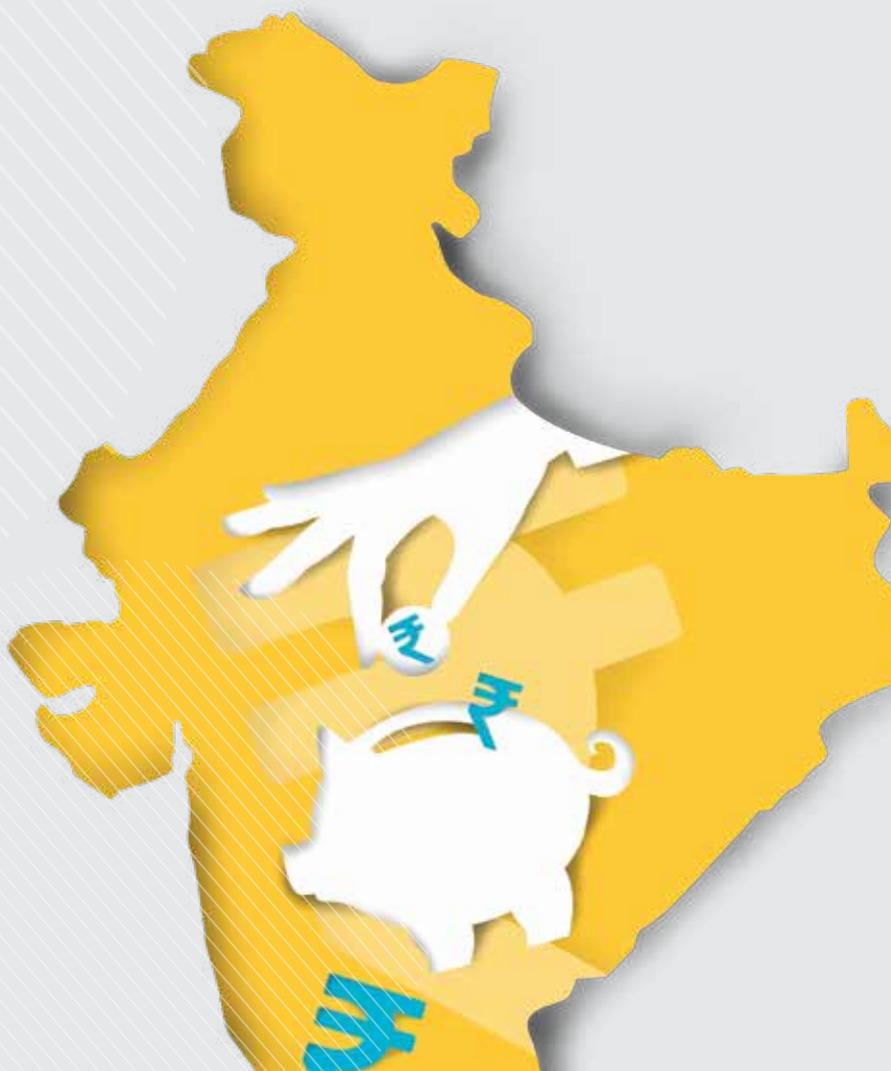

The Company launched an integrated mobile interface for its field staff for onboarding customers, doing a real-time credit check for all loan applications and going completely paperless (except where paper documents are statutorily required) for both loan applications and loan servicing. This technology has been successfully implemented in 90 branches till date.

Priorities

The Company will continue to strengthen its presence across its footprint with a special focus on Rajasthan and Uttar Pradesh, its two most recent geographic additions.

From a service perspective, the team will continue to engage more meaningfully with its customers across every district to understand areas of improvement; this would also help in unearthing new growth opportunities.

From a technology standpoint, the team will move to a 100% deployment of its mobile interface. In addition, the Company is implementing the rollout of a new ERP software for Microfinance. This solution promises to substantially improve collection efficiency and generate a more accurate and detailed MIS for the management team.

MSME funding is a new product line, an extension of the microfinance business, in which the Company provides loans of ₹40,000 to 1,50,000 to small business owners in rural areas who are deprived of formal funding options. These are individual non-group unsecured loans. As a start, the Company has established its presence in Gujarat and Madhya Pradesh.

Positives

-  Leverages local knowledge (from the microfinance database) to ascertain prospective opportunities and worthy clients
-  Collection from the customer's doorstep which facilitates regular contact with customers

Performance

This business registered a stellar performance. The Company continued to entrench its presence in existing states as it added nine new branches in 2018-19. Disbursements increased by 82.63% from ₹52.67 crore in 2017-18 to

₹96.19 crore in 2018-19, while revenue grew by 244% from ₹6.93 crore to ₹23.86 crore during the same period. Moreover, this revenue vertical has registered the highest Return on Assets among all the product lines.

Priorities

While there is an opportunity to expand rapidly and increase disbursements, the Company has adopted a strategy of cautious aggression where asset qual-

ity will be the topmost priority. As the team gains experience in this product vertical, it would expand its presence meaningfully in the coming months and years.

Progress

Revenue vertical 3

2-wheeler loans

This vertical is an urban-centric, cash-less and asset-backed funding business. For this vertical, the Company has strategically concentrated its presence in its home state, Gujarat, and is a strong regional player with a high market-share. Business accrues through presence at vehicle OEM dealer showrooms.

Positives

- Established its competence through a growing presence in several towns and cities in Gujarat.
- Established a tablespace in more than 60 dealer showrooms which provide majority of the business.
- Enjoys a preferred financing partner status owing to its value-added services - flexibility in terms of loan tenure, initial down payment, processing fees and service speed.

Performance

The business faced headwinds during the year under review, as 2018-19 was a significant washout for the 2-wheeler segment with sales volumes of 2-wheelers registering a growth of only 4.9% over the previous fiscal. This lackluster growth was owing to the dull consumption ecosystem in India, further accentuated by the new third-party insurance law. Despite these challenges and negative two-wheeler sales growth in the last two quarters, the team performed well as the Company's market share increased in its operational geographies. The Company also forayed into the Rural belts through its MSME branches. Total Disbursements stood at ₹104.06 crore in 2018-19 against ₹92.29 crore in 2017-18; revenue from the vertical increased from ₹20.39 crore to ₹23.86 crore over the same period. The

rural 2-wheeler disbursement was ₹7.90 crore in 2018-19 and Rural 2-wheeler AUM was ₹6.79 crore. The Company plans to expand its reach into the rural two-wheeler market in the coming years.

Priorities

The muted growth in the last few years was owing to increased competition and margin pressures. However, the Company remains committed to sustain and expand its two-wheeler financing business as and when the competitive intensity subsides. The product was in a pilot phase in 2018-19; the overall response to the product and quality of book is promising and provides an avenue for sustained growth in the 2-wheeler segment.

Risk management

“The only strategy that is guaranteed to fail is not taking risks.”

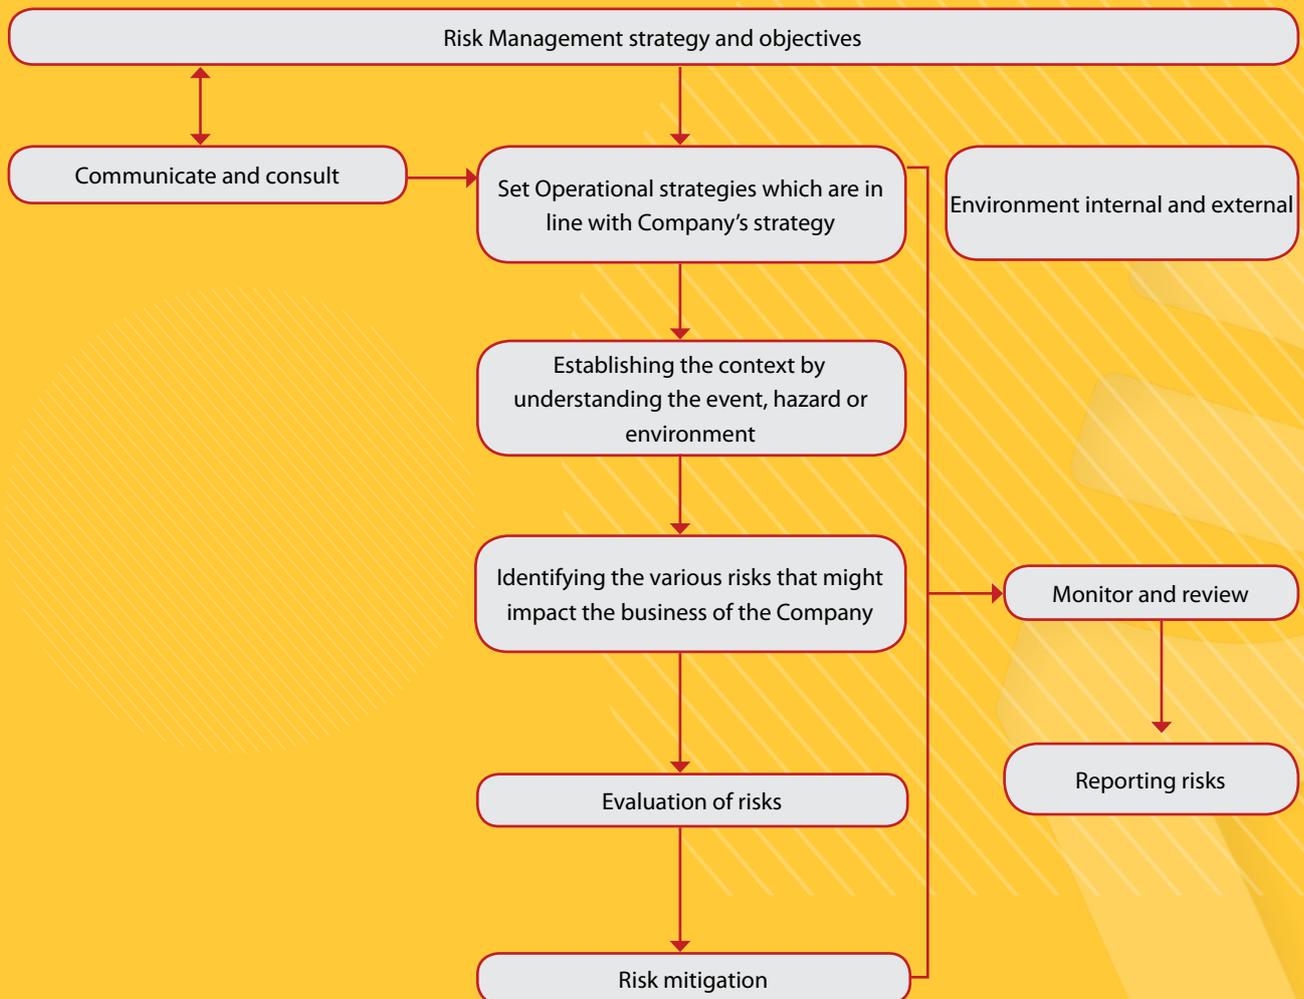

Mark Zuckerberg

Arman is cognizant of the reality that risks, along with their mitigation, are critical in the ever-changing environment in which it operates. The Company has a well-established risk management

framework that enables it to be resilient while performing its business activities despite various challenges from the external environment. It encompasses strategy and operations and seeks

to identify proactively, address, and mitigate existing and emerging risks. A thread-bare analysis is undertaken for every strategic business decision by the top management.

Arman’s multi-level risk management framework

Policy risk

Populists announcements could severely impact cash collection in the short-term and business growth over the medium-term

Mitigation: This reality will impact the entire microfinance sector, and Arman will be no exception. While such announcements could happen anytime, the microfinance sector has made numerous representations to the nodal agencies at the Centre and in various states of its presence on the benefits of microfinance in assisting structured and disciplined growth of the rural masses in India. These representations have helped in minimising such announcements. MFIN has strong advocacy with all levels of the government and policy-makers.

Dependence risk

The Company depends primarily on the microfinance segment for its overall business growth and sustainability.

Mitigation: Microfinance will continue to be the dominating business segment over the coming years owing to the growing demand from rural masses pan-India. However, the Company, owing to its microfinance experience, has created flanking revenue verticals, which, over time, should become substantial revenue and profitability drivers for the Company. Over the medium-term, the Company will endeavour to arrive at an interesting equilibrium between its mass and niche products that meet its growth and profitability aspirations.

Geographic concentration risk

Being concentrated in a handful of states could restrict business growth.

Mitigation: The Company is a cautious mover. Rather than move with speed across the Indian landmass, the Company practices a policy of making a knowledge-based entry into any state and then creating an entrenched presence before moving to the next. Over the years, the Company has moved on from its traditional bastion (Gujarat) to other states. In 2017-18, it established a strong presence in Uttar Pradesh and Maharashtra. While it continued to embed its presence in that state, the Company established a small presence in Rajasthan in 2018-19 to test the opportunity in that region. This steady footprint expansion will enable the Company to seamlessly sustain growth while journeying towards its goal - a pan-India presence.

Service risk

A deterioration in service quality could impact business prospects going forward.

Mitigation: Increasing competition in this space has made service quality a critical differentiator. Arman understands this business reality. To ensure, quality service, the Company has adopted a multi-pronged approach.

- 👛 Recruiting and nurturing local talent for managing field operations which helps in better understanding and timely resolution of customer issues.
- 👛 Implementing a digital solution for enhancing the speed and accuracy of service delivery.
- 👛 Maintaining a close connect with customers to understand their challenges.
- 👛 A robust 3-layer grievance redressal mechanism from field to head-office level.

These realities have helped the Company to strengthen business relations and secure referral business.

Reputation risk

Incorrect and inappropriate communication by various stakeholders could dent the Company's reputation

Mitigation: The management is familiar with the reality that in this customer-facing business, reputation is critical for sustaining success. In keeping with this belief, the management has neatly woven ethics and governance into the organisational fabric. The outcome of this is reflected in important developments

- 👛 Multiple rounds of funding by leading global financial institutions, government agencies, and leading public and private banks.
- 👛 Rating upgrade for both Arman & Namra from BBB to BBB+; also the MFI grading for Namra has been upgraded from MFI-2 to MFI-2+, which is one step below the highest possible grading.
- 👛 Mr. Alok Prasad, an eminent personality in NBFC and more particularly in the Microfinance space joined the Company as the Non-Executive Chairman.

Liquidity risk

The on-going liquidity crunch owing to the NBFC crisis could impede the Company's ability in securing funds to meet its growth aspiration.

Mitigation: The Company has earned respect in the financial circles for its timely and complete repayment of all loans taken. As a result, despite the financial crisis, which has impacted the financial services segment in the recent past, the Company has been able to grow consistently. Moreover, with every passing year, the Company has only expanded its lending partner base to balance the mix of borrowing between PSU, Private Sector Banks, Small Finance Bank, NBFCs and Foreign Investors. Moreover, the Company has a policy of maintaining liquid funds equivalent to its disbursement commitment of the following month. .

Finally, the Company has a natural positive ALM ratio as its loans to customers are of short tenure while its borrowings are longer term in nature; therefore, there is no risk of default even if market liquidity stops completely.

Giving back to the society

At Arman, we believe that educating women is a sustainable means of eliminating household poverty and improving healthy livelihood of the entire family.

In keeping with this belief, we focused on addressing health issues of woman. We distributed Reusable Sanitary Pads (a sustainable solution as it lasts for a year) and imparted Menstrual Hygiene Awareness in more than 30 remote villages of Gujarat.

We collaborated with a specialised organisation, Unipads India Pvt. Ltd, manufacturer and supplier of reusable cloth pads; which also drives menstruation hygiene campaigns amongst the deprived.

Step-1

As a first step we shortlisted the branches, villages and detailed list of customers to be covered. With the help of branch and area heads and Unipads India Pvt. Ltd we conducted awareness activities.

Step-2

We launched a low-cost simple solution. Unipads are reusable cloth pads which can be washed and reused for more than one year. These pads are healthy and skin friendly as no chemicals and gels are used in its manufacturing process. This is the best option for women who cannot spend on menstrual hygiene products due to lack of financial resources. Unlike disposable pads, Unipads are environment friendly as they do not have to be disposed.

Step-3

With the help of Unipads, we distributed Reusable sanitary pads among our female customers in different villages in Gujarat by spreading awareness on menstrual hygiene. As a part of this activity, Unipads team interacted with women of these remote villages and imparted knowledge on right menstrual practices, why reusable sanitary pads are a good option, how to use it and its wash and care instructions.

Why menstrual hygiene?

- 👛 A woman spends almost 2,500-3,000 days of her life menstruating, which is almost 6-7 years of her life.
- 👛 Only 18% women in India use sanitary pads due to lack of accessibility and affordability of high cost disposable sanitary pads.
- 👛 Stigmatisation has produced an immense gap in knowledge about menstruation and hygienic practices among women and girls, leading to increased health risks, absence from school and work and loss of dignity.

2. OPERATIONS

Your Company continues to engage in the business of Asset Finance, MSME and Microfinance. The Parent Company, Arman Financial Services Limited, is engaged in Asset Finance viz. two-wheeler finance and MSME; while the Microfinance business is managed through Arman's wholly owned subsidiary, Namra Finance Limited. The financial statements of both Arman and Namra, as well as the consolidated financials of Arman are included within the Annual Report.

Though FY19 was a very challenging year for the entire NBFC sector due to the liquidity crisis, the Company has grown consolidated AUM by 62% and has managed to generate a record profit. The AUM of the company increased from ₹423.59 crores to ₹684.70 crores. Consolidated disbursements totaled ₹790 crores compared to ₹542 crores the previous year, a 46% increase. The impact of demonetization, which resulted in increased loan losses in FY18, is behind us and we are poised to grow considerably in the coming years. The

Company has received an Equity infusion from a SAIF Partners managed fund during the year, which will increase the equity base of the Company by ₹56.67 Crores on a fully diluted bases.

Income from operations during the year under review was ₹141.06 crores against ₹78.02 crores for the previous year, resulting in an increase of 80.80%. Earnings before Interest & Taxes (EBIT) for the current year is ₹93.47 crores (₹44.04 crores in previous year) thereby resulting in increase of 112.23%. Net Profit after Taxes amounted to ₹21.33 crores (₹7.30 crores in previous year) thereby resulting in increase of 192% in the fiscal year. The basic earning per share is ₹30.74 (Previous year ₹10.21) thereby resulting in increase of 201.07%.

3. DIVIDEND

Your Directors are pleased to recommend a Dividend of ₹1.40/- net of tax (Previous Year ₹1.00/-) per equity share of ₹10/- each (i.e. 14%) for the year ended March 31, 2019, subject to approval by the members at the ensuing Annual General Meeting.

4. AMOUNTS TRANSFERRED TO RESERVES

The Board of the Company has transferred the amounts to reserve as under:

- Transfer to special reserve as required by section 45-IC of the Reserve Bank of India Act, 1934: ₹1,28,00,000/-

CARE upgraded its rating for long term bank facility to "CARE BBB+"; stable (Triple B plus; outlook stable). CARE also affirmed its rating on the Non-Convertible Debentures ("NCD") at "CARE BBB+"; stable (Triple B plus; outlook stable). The Grading of Namra Finance Limited (WOS) has also improved from 'MFI 2' (MFI two) to 'MFI 2+' (MFI two plus) by CARE during the current fiscal.

7. SUBSIDIARY, ASSOCIATE AND JOINT VENTURE COMPANIES

The Company has one wholly owned subsidiary, named Namra Finance Limited as on date. During the year, no changes took place in the group corporate structure of your Company. The Company has formulated a policy for determining 'material' subsidiaries pursuant to the provisions of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations"). The said policy is available at the Company website at the link <https://www.armanindia.com/corporategovernance.aspx> → Policy For Material Subsidiary.

The consolidated financial statements presented by the Company include financial information of its subsidiary prepared in compliance with applicable accounting

standards. The salient features of Namra Finance Limited in Form AOC-1 is attached hereunder as per "Annexure-1" as required under section 129 (3) of the Companies Act, 2013.

Further pursuant to Section 136 of Companies Act, 2013, financial statements of the Company, consolidated along with relevant documents and separate audited accounts in respect of subsidiary are available on the website of the Company.

8. UNCLAIMED DIVIDEND & SHARES

During the year Company has transferred unclaimed dividend for the year 2010-11 of ₹ 3,03,557/- to Investor Education and Protection Fund pursuant to provision of Section 124 of the Companies Act, 2013 which remained unclaimed for a period of more than seven years.

Further, during the year 15,810 shares on which dividend had remained unclaimed for last 7 years were transferred to Investor Education & Protection Fund in accordance with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, after complying due procedure. Members desirous of claiming their shares and dividend may refer to the refund procedure for claiming the aforementioned amounts/shares transferred to the IEPF Authority, as detailed on www.iepf.gov.in. Underlying shares on which dividend has remained unclaimed from 2011-12 onwards, will be due for transfer to IEPF account during the year and individual notices to that effect will be sent to concerned shareholders. Shareholders who have not yet encashed their unclaimed/unpaid amounts are requested to correspond with the Company's Registrar and Transfer Agents, at the earliest to avoid transfer of dividend and underlying shares to IEPF.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
ARMAN FINANCIAL SERVICES LIMITED
Ahmedabad

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Arman Financial Services Limited (hereinafter referred to as the 'Holding Company') and its subsidiary (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2019, and the consolidated statement of Profit and Loss, (the consolidated statement of changes in equity) and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs (financial position) of the Company as at 31 March 2019 and its consolidated profit (financial performance) and its consolidated cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit, of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion, on these matters.

Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports on separate financial statements / consolidated financial statements and on the other financial information of the subsidiaries were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. We have determined that there are no key audit matters to be communicated in our report.

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified

above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and as may be legally advised.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

7. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
8. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in

the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

9. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor's Responsibilities for the Audit of the Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial

statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

12. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

15. Other Matters

- (a) We did not audit the financial statements / financial information of 1 subsidiary, whose financial statements / financial information reflect total assets of ₹494.82 crores as at 31st March, 2019, total revenues of ₹95.29 crores and net cash flows amounting to ₹26.07 crores for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management

and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

- (b) Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

16. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:

- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2019 taken on record by the Board of Directors

of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies, its associate companies and jointly controlled companies incorporated in India is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure "A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- the consolidated financial statement has disclosed the impact of pending litigations on its financial position in the Consolidated financial statements; (Refer Note 23 to the financial statements);
 - The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.

ANNEXURE “A” TO INDEPENDENT AUDITOR’S REPORT

Referred to in paragraph 16(f) of our Report of even date to the Members of ARMAN FINANCIAL SERVICES LIMITED for the year ended 31st March, 2019.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of ARMAN FINANCIAL SERVICES LIMITED as of 31st March 2019, in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of internal financial controls over financial reporting (the “Guidance Note”) and the standards on auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the

Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that: (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance

with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

INDEPENDENT AUDITOR'S REPORT

To,

The Members of

ARMAN FINANCIAL SERVICES LIMITED

Ahmedabad

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Arman Financial Services Limited (the 'Company') which comprise the Balance Sheet as at 31 March 2019, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs (financial position) of the Company as at 31 March 2019 and its profit (financial performance) and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further, described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit, of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion, on these matters.

Key audit matter identified in our audit is on Provision on Non-Performing Assets as follows:

Key audit matter	Audit Approach
Provisioning on Non-Performing Assets <p>Identification of and provisioning for Non-Performing Assets (loans) in accordance with the RBI guidelines (Refer para (p) of significant accounting policy read with Note 4, 11 & 21 to the financial statements).</p> <p>The Company has net advances amounting to 189.21 Crores as at 31 March 2019. Identification of and provisioning for non-performing assets (loans) in accordance with relevant prudential norms issued by the Reserve Bank of India (RBI) in respect of income recognition, asset classification and provisioning pertaining to advances (herein after referred as "Relevant RBI guidelines") is a key audit matter due to the current processes at the Company which requires manual interventions, management estimates and judgment regarding recoverability of loans and underline security.</p>	<p>Our audit approach included testing the design, operating effectiveness of internal controls and substantive audit procedures in respect of income recognition, asset classification and recoverability of loan amount including underline security and provisioning pertaining to advances. In particular:</p> <ul style="list-style-type: none">• we have evaluated and understood the Company's internal control system in adhering to the Relevant RBI guidelines regarding income recognition, asset classification and provisioning pertaining to advances;• we have understood key IT systems / applications used and tested operational effectiveness of relevant controls, including involvement of manual process and manual controls in relation to income recognition, asset classification and provisioning pertaining to advances ;• we test checked advances to examine the validity of the recorded amounts, loan documentation, examined the statement of accounts, indicators of impairment, impairment provision for non-performing assets, and compliance with income recognition, asset classification and provisioning pertaining to advances; and• evaluated the past trends of management judgment, governance process and review controls over impairment provision calculations and discussed the provisions made with senior management including the Chief Executive Officer, Chief Financial Officer.

Information other than the Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and as may be legally advised.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance) and cash flows of the Company in accordance with the accounting principles generally accepted in India specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

10. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
- Report on Other Legal and Regulatory Requirements**
14. As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
 15. Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply accounting principles generally accepted in India specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) We have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31 March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report as per Annexure "B" expressed an unmodified opinion;
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in the standalone financial statements; (Refer Note 23 to the financial statements);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE “B” TO INDEPENDENT AUDITOR’S REPORT

Referred to in paragraph 15(f) of our Report of even date to the Members of ARMAN FINANCIAL SERVICES LIMITED for the year ended 31st March, 2019.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of ARMAN FINANCIAL SERVICES LIMITED as of 31st March 2019, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of internal financial controls over financial reporting (the “Guidance Note”) and the standards on auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether

adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that: (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial

reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements

for the year ended 31st March, 2019

Significant Accounting Policies :

a. Basis of preparation

The financial statements have been prepared under the historical cost convention and on accrual basis and in accordance with Generally Accepted Accounting Principles in India (Indian GAAP) except interest on loans which have been classified as non-performing assets and are accounted for on realization basis. The said financial statements comply in all material respects with Accounting Standards notified under section 133 of the Companies Act, 2013 ("the Act"), read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of RBI as applicable to a Non Banking Financial services (NBFC).

The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All assets and liabilities have been classified as current or non-current as per the Companies normal operating cycle as 12 months for the above purpose.

b. Use of estimates

In preparing the Company's financial statements in conformity with the accounting principles generally accepted in India, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

c. Revenue Recognition

Revenue is recognized to the extent that it is probable that economic benefits will flow to the company and the revenue can be measured reliably.

i. Interest from Loans

Interest income on the loans granted is recognised on accrual basis and when no significant uncertainty as to collectability exists. Income on non-performing assets is recognized when realized as per the guidelines for prudential norms prescribed by the Reserve Bank of India.

ii. Income from Assignment/Securitisation

In case of assignment of receivables "at premium", the assets are de-recognised since all the rights, title and future receivables are assigned to the purchaser. The interest spread arising on assignment is accounted over the residual tenor of the underlying assets.

In case of securitisation of receivables "at Par", the Income from excess interest spread is recognized in Statement of Profit and Loss account, net of any losses, at the time of actual receipt.

iii. Other Interest Income

Other Interest Income is recognized on accrual basis.

iv. Processing Fees

Processing fees on processing of loans are recognized upfront as income.

v. Late Payment Charges

Income in case of late payment charges are recognized as and when realized.

vi. Income from Investments

Dividend from investments is accounted for as income when the right to receive dividend is established.

d. Property, Plant & Equipment

All the Property, Plant & Equipments are stated at cost less depreciation. The cost of assets includes other direct/indirect and incidental cost incurred to bring them into their working condition.

When assets are disposed or retired, their cost is removed from the financial statements. The gain or loss arising on the disposal or retirement of an asset is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss for the relevant financial year.

Depreciation

The depreciation on assets for own use is provided on "Straight Line Method" as per useful life specified in schedule II to the Companies Act, 2013 on Pro-rata Basis.

Notes to the Financial Statements

for the year ended 31st March, 2019

Useful life of assets is as under:

SR No.	Name of Asset	Useful Life
1	Building	60 Years
2	Furniture & Fixtures	10 Years
3	Office Equipment	10 Years
4	Vehicles- Motor Cycle	10 Years
5	Vehicles- Motor car	8 Years
6	Computers	3 Years
7	Intangible Assets	5 Years

When assets are disposed or retired, their accumulated depreciation is removed from the financial statements. The gain or loss arising on the disposal or retirement of an asset is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss for the relevant financial year.

e. Investments

Long term investments are stated at cost. Provision is made for any diminution in the value of the long term investments, if such decline is other than temporary. The Company does not have any current investments.

f. Retirement Benefits

- The Employee and Company make monthly fixed contribution to government of India employee's provident fund equal to a specified percentage of the covered employee's salary. Provision for the same is made in the year in which services are rendered by the employee.
- The liability for gratuity to employees, which is a defined benefit plan, as at Balance Sheet date determined on the basis of actuarial valuation based on projected unit credit method is funded to a gratuity fund administered by the trustees and managed by Life Insurance Corporation of India and the contribution thereof paid/payable is absorbed in the accounts.
- The Company does not allow carry forward of unavailed leave and hence unavailed leaves are encashed in the current year itself.
- Short term benefits are recognised as an expense at the undiscounted amounts in the statement of profit and loss of the year in which the related service is rendered.

g. Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets, whenever applicable, till such assets are ready for their intended use. A qualifying asset is the one which necessarily takes substantial period to get ready for intended use. All other borrowing costs are charged to revenue accounts. Capitalization of borrowing cost is suspended when active development is interrupted.

h. Segment Information

In the opinion of the management, the Company is mainly engaged in the business of providing finance. All other activities of the Company revolve around the main business, and as such, there are no separate reportable segments as per Accounting Standard 17 - "Segment Reporting" notified under section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014.

i. Lease

The Company's significant leasing arrangements are in respect of operating lease for premises that are cancelable in nature. The lease rentals paid under such agreements are charged to the statement of profit and loss.

j. Provision for Current and Deferred Tax

Provision for current tax is made after taking into consideration benefits admissible under the provision of the Income Tax Act, 1961.

Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or subsequently enacted as on the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent that there is virtual certainty that the assets will be realized in future.

k. Intangible Assets

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalized.

Notes to the Financial Statements

for the year ended 31st March, 2019

Intangible assets are amortized on a straight – line basis over their estimated useful lives. A rebuttable presumption that the useful life of an intangible asset will not exceed than years from the date when the asset is available for use is considered by the management. The amortization period and the amortization method are reviewed at least at each reporting date. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.

The gain or loss arising on the disposal or retirement of an intangible asset is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised as income or expenses in the Statement of Profit and Loss in the year or disposal.

Intangible assets are amortized on a straight – line basis over 5 years.

l. Earnings per Share

Basic earnings per share is calculated by dividing net profit after tax for the year attributable to equity shareholders of the Company by the weighted average number of equity shares issued during the year. Diluted earnings per share is calculated by dividing net profit attributable to equity shareholders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding during the year.

m. Impairment

The management periodically assesses, using external and internal sources whether there is an indication that an asset may be impaired. If an asset is impaired, the Company recognizes an impairment loss as the excess of the carrying amount of the asset over the recoverable amount.

n. Provision, Contingent Liabilities and Contingent Assets

A provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

A disclosure for a contingent liability is made when there is a possible or present obligation that may, but probably will not require an outflow of resources. Contingent assets are neither recognized nor disclosed in the financial statements.

o. Transfer and recourse obligation under Debt Securitization

The Company assigns assets under securitization transactions. The assigned loans / assets are derecognized and gains / losses if any are recorded on assignment of loan contracts. Recourse obligation with respect to Debt Securitizations is provided in books as per past track records of delinquency / servicing of the loans of the Company.

p. Classification and Provision Policy for Loan Portfolio

(i) Classification of Loan Portfolio

Provision for loans and advances are made as per directions issued by Reserve Bank of India for Non Banking Financial (Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007 as amended from time to time.

19. INTERNAL FINANCIAL CONTROLS

The Company has laid down certain guidelines, processes and structure, which enables implementation of appropriate internal financial controls across the organisation. Such internal financial controls encompass policies and procedures adopted by the Company for ensuring the orderly and efficient conduct of business, including adherence to its policies, safeguarding of its assets, prevention and detection of frauds and errors, the accuracy and completeness of accounting records and the timely preparation of reliable financial information. Appropriate review and control mechanisms are built in place to ensure that such control systems are adequate and are operating effectively. Because of the inherent limitations of internal financial controls, including the possibility of collusion or improper management override of controls, material misstatements in financial reporting due to error or fraud may occur and not be detected. Also, evaluation of the internal financial controls is subject to the risk that the internal financial control may become inadequate because of changes in conditions, or that the compliance with the policies or procedures may deteriorate.

The Company has, in all material respects, an adequate internal financial controls system and such internal financial controls were operating effectively based on the internal control criteria established by the Company considering the essential components of internal control, stated in the Guidance Note on Audit of Internal Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE-2

CORPORATE SOCIAL RESPONSIBILITY

Pursuant to Section 135 of Companies Act, 2013

1. Brief outline of Companies CSR Policy:

Namra Finance Limited believes in making a difference to the lives of thousands of people who are underprivileged. It promotes social and economic inclusion by ensuring that marginalized communities have equal access to health care services, educational opportunities and proper civic infrastructure. Your Company's CSR activities are implemented in aligned with requirements of Section 135 of the Companies Act, 2013 along with objective specified in CSR Policy of the Company.

2. Composition of CSR Committee:

The CSR Committee of our Board provides oversight of CSR Policy and monitors execution of various activities to meet the set CSR objectives. The members of the CSR Committee are:

- a. Mr. Jayendra Patel, Chairperson
- b. Mr. Aalok Patel, Member
- c. Mr. R. K. Nagpal, Member

3. Financial details:

The provisions pertaining to Corporate Social Responsibility as prescribed under Section 135 of the Companies Act, 2013 are applicable to the Company. A summary of the financial details as sought under the Companies Act, 2013 are as follows:

SRN	Particulars	Amount (In ₹)
1	Average net profit before tax of the Company for last three financial years	7,68,53,282/-
2	Total amount to be spent for the financial year	15,37,065/-
3	Total amount spent	3,76,000/-
4	Total amount unspent, if any	11,61,065/-

4. The details of the amount spent during the financial year is detailed below:

SRN	CSR project/ program	Sector	Location of project/ program	Amount outlay (budget)	Amount spent on the projects or programs	Cumulative spend up to the reporting period	Amount spent: direct / through external agency
1	Cancer Treatment	Healthcare and medical facilities	Ahmedabad	51,000/-	51,000/-	51,000/-	Hemato Oncology Clinic Ahmedabad Private Limited

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and as may be legally advised.

Responsibility of Management for Standalone Financial Statements

4. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of

the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

5. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 40(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 40(c) explains that when law, regulation or the applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses,

and is not inconsistent with, the description of the auditor's responsibilities below.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures,

and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

6. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

7. As required by Section 143(3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(c) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

(d) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.

(e) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".

(f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – (Refer Note 22).
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE “B” TO INDEPENDENT AUDITOR’S REPORT

Referred to in paragraph 7 (e) of our Report of even date to the Members of
NAMRA FINANCE LIMITED for the year ended 31st March, 2019.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of NAMRA FINANCE LIMITED as of 31st March 2019, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of internal financial controls over financial reporting (the “Guidance Note”) and the standards on auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the guidance note require that we comply with ethical requirements and plan and

perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that: (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use,

or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial

reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements

for the year ended 31st March, 2019

Significant Accounting Policies :

a. Basis of preparation

The financial statements have been prepared under the historical cost convention and on accrual basis and in accordance with Generally Accepted Accounting Principles in India (Indian GAAP) except interest on loans which have been classified as non-performing assets and are accounted for on realization basis. The said financial statements comply in all material respects with Accounting Standards notified under section 133 of the Companies Act, 2013 ("the Act"), read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of RBI as applicable to a Micro Finance Institution – Non Banking Financial Company ("NBFC-MFI").

The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All assets and liabilities have been classified as current or non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. The Company has ascertained its operating cycle as 12 months for the above purpose.

b. Use of estimates

In preparing the Company's financial statements in conformity with the accounting principles generally accepted in India, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

c. Revenue Recognition:

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Company and the revenue can be measured reliably.

i. Interest from loans:

In respect of Micro finance activity, interest income on the loans granted is recognised on accrual basis and income

on non-performing asset is recognized only when realized and any such income recognized before the asset became non-performing and remaining unrealized is reversed.

ii. Income from assignment/securitization

In case of assignment of receivables "at premium", the assets are de-recognised since all the rights, title and future receivables are assigned to the purchaser. The interest spread arising on assignment is accounted over the residual tenure of the underlying assets as per guideline on securitization of standard assets issued by RBI.

In case of securitisation of Microfinance receivables "at Par", the Income from excess interest spread is recognized in Statement of Profit and Loss account, net of any losses, at the time of actual receipt.

iii. Other interest income

Other interest income is recognized on accrual basis.

iv. Processing fees

Processing fees on processing of loans are recognized upfront as income.

v. Late payment charges

Income in case of late payment charges are recognized as and when realized.

d. Property, Plant & Equipment

All the Property, Plant & Equipments are stated at cost less depreciation. The cost of assets includes other direct/indirect and incidental cost incurred to bring them into their working condition.

When assets are disposed or retired, their cost is removed from the financial statements. The gain or loss arising on the disposal or retirement of an asset is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss for the relevant financial year.

Depreciation

The depreciation on assets for own use is provided on

Notes to the Financial Statements

for the year ended 31st March, 2019

"Straight Line Method" as per useful life specified in Schedule II to the Companies Act, 2013 on Pro-rata Basis.

Useful life of assets is as under:

SR No.	Name of Asset	Useful Life
1	Furniture & Fixtures	10 Years
2	Vehicles-Motor Cycle	10 Years
3	Vehicles- Motor Car	8 Years
4	Office Equipments	5 Years
5	Computers	3 Years
6	Intangible Assets	5 Years

When assets are disposed or retired, their accumulated depreciation is removed from the financial statements. The gain or loss arising on the disposal or retirement of an asset is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss for the relevant financial year.

e. Investments

Long term Investments are stated at cost. Provision is made for any diminution in the value of the long term investments, if such decline is other than temporary. The Company does not have any current investments.

f. Retirement Benefits

- The Employee and Company make monthly fixed contribution to government of India employee's provident fund equal to a specified percentage of the covered employee's salary. Provision for the same is made in the year in which services are rendered by the employee.
- The liability for gratuity to employees, which is a defined benefit plan, as at Balance Sheet date determined on the basis of actuarial valuation based on projected unit credit method is funded to a gratuity fund administered by the trustees and managed by Life Insurance Corporation of India and the contribution thereof paid/payable is absorbed in the accounts.
- The Company does not allow carry forward of unavailed leave and hence unavailed leaves are encashed in the current year itself.
- Short term benefits are recognised as an expense at the undiscounted amounts in the statement of profit and loss of the year in which the related service is rendered.

g. Lease:

The Company's significant leasing arrangements are in respect of operating lease for premises that are cancelable in nature. The lease rentals paid under such agreements are charged to the statement of profit and loss.

h. Intangible Assets

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalized.

Intangible assets are amortized on a straight – line basis over their estimated useful lives. A rebuttable presumption that the useful life of an intangible asset will not exceed than years from the date when the asset is available for use is considered by the management. The amortization period and the amortization method are reviewed at least at each reporting date. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.

The gain or loss arising on the disposal or retirement of an intangible asset is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised as income or expenses in the Statement of Profit and Loss in the year or disposal.

Intangible assets are amortized on a straight – line basis over 5 years.

i. Segment Information:

In the opinion of the management, the Company is mainly engaged in the business of Micro-finance. All other activities of the Company revolve around the main business, and as such, there are no separate reportable segments as per Accounting Standard 17 -'Segment Reporting" notified under section 133 of the Companies Act, 2013 ("the Act"), read with Rule 7 of the Companies (Accounts) Rules, 2014

j. Provision for Current and Deferred Tax

Provision for current tax is made after taking into consideration

Notes to the Financial Statements

for the year ended 31st March, 2019

benefits admissible under the provision of the Income Tax Act, 1961.

Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or subsequently enacted as on the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent that there is virtual certainty that the assets will be realized in future.

k. Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost such assets, whenever applicable, till such assets are ready for their intended use. A qualifying asset is the one which necessarily takes substantial period to get ready for intended use. All other borrowing costs are charged to revenue accounts. Capitalization of borrowing cost is suspended when active development is interrupted.

l. Earnings per Share

Basic earnings per share is calculated by dividing net profit after tax for the year attributable to equity shareholders of the Company by the weighted average number of equity shares issued during the year. Diluted earnings per share is calculated by dividing net profit attributable to equity shareholders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding during the year.

m. Impairment

The management periodically assesses, using external and internal sources whether there is an indication that an asset may be impaired. If an asset is impaired, the Company recognizes an impairment loss as the excess of the carrying amount of the asset over the recoverable amount.

n. Shares Issue Expenses

Share issue expenses incurred are expensed out in the year of issue.

o. Transfer and recourse obligation under Debt Securitization.

The Company assigns assets under securitization transactions. The assigned loans / assets are derecognized and gains / losses if any are recorded on assignment of loan contracts.

Recourse obligation with respect to Debt Securitizations is provided in books as per past track records of delinquency / servicing of the loans of the Company.

p. Provision, Contingent Liabilities and Contingent Assets :

A provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

A disclosure for a contingent liability is made when there is a possible or present obligation that may, but probably will not require an outflow of resources. Contingent Assets are neither recognized nor disclosed in the financial statements.

q. Accounting policies not specifically referred to otherwise are consistent with generally accepted accounting principles.

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013

Item No: 5

Mr. Kaushikbhai D. Shah, aged 71 years, is currently an Independent Director ('IDs') of the Company. He was appointed as IDs for a period of upto 5 years at the 22nd Annual General Meeting held on September 24, 2014 ("first term") and as per Section 149(10) of the Company Act, 2013 ('Act'), an ID shall hold office for a term of upto five consecutive years but shall be eligible for re-appointment on passing a special resolution by the Company for another (second) term of upto five consecutive years on the Board of the Company. Further, shareholder's approval by way of Special Resolution is also required for continuation of any non-executive Director after they have attained seventy-five years of age.

Based on recommendation of Nomination and Remuneration Committee ('NRC') the Board at its meeting held on August 21, 2019 reappointed him as an Independent Director pursuant of provisions of Section 149, 150, 152, Schedule IV and other applicable provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), for second term of upto 5 years, subject to approval of members.

Disclosure under Regulation 36(3) of the Listing Regulations and Secretarial Standard-2 issued by the Institute of Company Secretaries of India is set out in the Annexure to the notice.

Board also recommends for the approval of members of the Company, continuation of Mr. Kaushikbhai D. Shah, as an Independent Director even after his attaining the age of 75 years on January 24, 2023, upto the end of his second term.

None of the Directors or Key Managerial Personnel or their respective relatives, except Mr. Kaushikbhai D. Shah, to whom the resolution relates, is in any way concerned or interested, financially or otherwise in this resolution.

The Board recommends the resolution set forth in the Item No. 5 of the Notice for approval of the Members.

Item No: 6

At the 23rd Annual General Meeting held on September 29, 2015, Mr. Aalok Patel, aged 35 years, was appointed as Executive Director & C.F.O. of the Company for a period of 5 years effective from July 01, 2015 on the terms and conditions as approved by the shareholders at the said Annual General Meeting. Thereafter he relinquished his position as a C.F.O. w.e.f. May 25, 2018, however he continued his position as an Executive Director. After considering his valuable contribution to the Company, the Board of Directors at their meeting held on August 21, 2019 have, subject to the approval of the Shareholders, appointed him as Joint Managing Director of the Company with effect from August 21, 2019 for a period of 5 years on the remuneration, terms and conditions recommended by the nomination and remuneration committee as set out herein. While appointing Mr. Aalok Patel as Joint Managing Director of the Company, the Board of Directors considered his contribution in the overall progress of the Company. The Company during the year has achieved remarkable growth. Moreover, the Company is aggressively concentrating on its expansion plans. The Board is of the opinion that his services would help the Company to achieve greater heights.

He is also been appointed as Joint Managing Director of wholly owned subsidiary, Namra Finance Limited.

Taking into consideration the duties and responsibilities of the Joint Managing Director, the prevailing managerial remuneration in industry and on the recommendation of the nomination and remuneration committee, the Board at its meeting held on August 21, 2019 approved the remuneration, terms and conditions of the appointment of Mr. Aalok Patel, subject to approval of the shareholders on remuneration including minimum remuneration and on terms and conditions given hereunder:

- a) Salary and perquisites shall not exceed Rs. 84.00 lakhs per annum payable either monthly or quarterly or half yearly or yearly and by way of performance linked bonus and/or commission and/or Sweat Equity or any other form as may be recognised under the term salary and perquisites in Income Tax Act;
- b) In addition to salary, benefits like contribution to provident fund, gratuity, leave travel concession etc. shall be paid. The list of benefits is limited to perquisites as provided under Section IV of Schedule V to the Companies Act, 2013;
- c) Minimum Remuneration: Notwithstanding anything to the contrary contained herein, where, in any financial year during the currency of the tenure of Mr. Aalok Patel, the Company has no profits or its profits are inadequate, the Company will pay remuneration to the maximum as laid down in paragraph 1, Section II of Part II of Schedule V to the Companies Act, 2013 as minimum remuneration.
- d) The total combined remuneration drawn from this Company and Namra Finance Limited would not exceed the higher maximum

limit admissible as provided under paragraph 1 of section II of Part II of Schedule V, from any one of the Companies of which he is a managerial person and that any excess remuneration, if any, drawn or paid to him shall be forthwith refunded to the Company in the event the appointment comes to an end by any reason whatsoever prematurely before the tenure of appointment is over and also in the event when his appointment is not renewed for a further period beyond the period of five years for which he is appointed;

- e) As the terms of appointment and the remuneration proposed are in conformity with the relevant provisions of the Companies Act, 2013, read with Schedule V to the said Act, Central Government approval is not necessary for this appointment.

Disclosure under Regulation 36(3) of the Listing Regulations and Secretarial Standard-2 issued by the Institute of Company Secretaries of India is set out in the Annexure to the notice

Mr. Aalok Patel, Mr. Jayendra Patel, Mr. Aakash Patel and Mrs. Ritaben Patel and their relatives are deemed to be interested in the resolution. None of the other Directors or Key Managerial Personnel (KMP) of the Company or their relatives is in any way concerned or interested in the proposed resolution.

The Board recommends the resolution set forth in the Item No. 6 of the Notice for approval of the Members

Item No: 7

Section 42 of the Companies Act, 2013 read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 ("Prospectus and Allotment Rules") deals with private placement of securities by a company. Rule 14(1) of the Prospectus and Allotment Rules prescribes that in case of an offer or invitation to subscribe to securities, the Company shall obtain previous approval of its shareholders/members ("Members") by means of a special resolution. Proviso 3 of the Prospectus and Allotment Rules further prescribes that in case of the issue of non-convertible debentures ("NCDs") exceeding the limits prescribed in Section 180(1)(c) of the Companies Act, 2013, it shall be sufficient to obtain such previous approval only once in a year for all the offers or invitations for such NCDs issued during a period of one year from the date of passing of the aforementioned special resolution.

In order to augment resources for on-lending by the Company, repayment/refinance of existing debt, working capital requirement, purchase of assets, investments, general corporate purposes etc. the Company may invite subscription for secured/unsecured/subordinated/senior, rated/unrated, listed/unlisted, redeemable NCDs, in one or more series/tranches on private placement basis. The NCDs proposed to be issued, may be issued either at par or at premium or at a discount to face value and the issue price (including premium, if any) shall be decided by the board of directors of the Company ("Board") on the basis of various factors including the interest rate/effective yield determined, based on market conditions prevailing at the time of the issue(s).

Pursuant to Rule 14(1) read with proviso 3 of the Prospectus and Allotment Rules, the following disclosures are being made by the Company to the Members:

<p>PARTICULARS OF THE OFFER INCLUDING DATE OF PASSING BOARD RESOLUTION</p>	<p>The second proviso to Rule 14(1) of the Prospectus and Allotment Rules prescribes that where the amount to be raised through offer or invitation of NCDs (as defined above) exceeds the limit prescribed, it shall be sufficient if the company passes a previous special resolution only once in a year for all the offers or invitations for such NCDs during the year.</p> <p>In view of this, pursuant to this resolution under Section 42 of the Companies Act, 2013, the specific terms of each offer/issue of NCDs (whether secured/ unsecured/subordinated/ senior, rated/unrated, listed/unlisted, redeemable (including market linked debentures) NCDs) shall be decided from time to time, within the period of 1 year from the date of the aforementioned resolution. In line with Rule 14(1) of the Prospectus and Allotment Rules, the date of the relevant board resolution shall be mentioned/disclosed in the private placement offer and application letter for each offer/issue of NCDs.</p>
<p>KINDS OF SECURITIES OFFERED AND THE PRICE AT WHICH THE SECURITY IS BEING OFFERED</p>	<p>Non-convertible debt securities/NCDs.</p> <p>The NCDs will be offered/issued either at par or at premium or at a discount to face value, which will be decided by the Board for each specific issue, on the basis of the interest rate/effective yield determined, based on market conditions prevailing at the time of the respective issue.</p>

BASIS OR JUSTIFICATION FOR THE PRICE (INCLUDING PREMIUM, IF ANY) AT WHICH THE OFFER OR INVITATION IS BEING MADE	Not applicable, as the securities proposed to be issued (in multiple issues/tranches) are non-convertible debt instruments which will be issued either at par or at premium or at a discount to face value in accordance with terms to be decided by the Board, in discussions with the relevant investor(s).
NAME AND ADDRESS OF VALUER WHO PERFORMED VALUATION	Not applicable as the securities proposed to be issued (in multiple issues/tranches) are non-convertible debt instruments.
AMOUNT WHICH THE COMPANY INTENDS TO RAISE BY WAY OF SECURITIES	The specific terms of each offer/issue of NCDs shall be decided from time to time, within the period of 1 (one) year from the date of the aforementioned resolution, provided that the amounts of all such NCDs at any time issued within the period of 1 (one) year from the date of passing of the aforementioned shareholders resolution shall not exceed the limit specified in the resolution under Section 42 of the Companies Act, 2013.
MATERIAL TERMS OF RAISING OF SECURITIES, PROPOSED TIME SCHEDULE, PURPOSES OR OBJECTS OF OFFER, CONTRIBUTION BEING MADE BY THE PROMOTERS OR DIRECTORS EITHER AS PART OF THE OFFER OR SEPARATELY IN FURTHERANCE OF OBJECTS; PRINCIPLE TERMS OF ASSETS CHARGED AS SECURITIES.	The specific terms of each offer/issue of NCDs shall be decided from time to time, within the period of 1 year from the date of the aforementioned resolution, in discussions with the respective investor(s). These disclosures will be specifically made in each private placement offer and application letter for each offer/issue.

Accordingly, consent of the Members is sought in connection with the aforesaid issue of NCDs and they are requested to authorize the Board to issue such NCDs during the year on private placement basis up to INR 300 Crores (Indian Rupees Three Hundred Crores) as stipulated above, in one or more tranches, which is within the overall borrowing limit of the Company pursuant to Section 180(1)(c) of the Companies Act, 2013.

None of the directors and key managerial personnel of the Company and their relatives are concerned or interested, financially or otherwise, in this resolution except to the extent of their shareholding (if any) in the Company. The Board recommends the passing of the resolution as special resolution.

The Board recommends the resolution set forth in the Item No. 7 of the Notice for approval of the Members.
